ABOUT

Esther has vast experience in all types of both non-contentious and contentious Intellectual Property works such as protection, enforcement, and exploitation of Intellectual Property Rights in Malaysia.

She is also experienced in aspects of Information Technology, Communication and Multimedia, Advertising and laws related to cyber space and Media. Esther frequently represent intellectual conglomerates, local companies, and individuals in High Court and Court of Appeal for international Property and IT related matters. She advises on foreign intellectual property laws including matters in Singapore, Brunei, Indonesia, Thailand, Japan, Korea and UK.

Besides Intellectual Property laws, Esther also has knowledge in dealing contentious civil litigation matters and seldom acted as counsel in the sub-court as well as High Court for SME companies in Malaysia. She continued to practice as a Legal Associate in the Intellectual Property department of a large reputable firm and subsequently joined a boutique firm in 2015 where she practiced in both Intellectual Property and general civil litigation.

Esther has been actively involved in giving virtual seminars on employment related issues at the APAC Employment Law Congress and she is also one of the speakers on sustainability series at the RHT CABA Asean summit.
