ABOUT

Datuk Khairul is currently Head of our Corporate & Commercial and Merger & Acquisition practice groups. He has been involved in various headline transactions relating to M&A, Capital Markets, Projects & Infrastructure, Finance and Debt Instruments.

As a former licensed company secretary, he also brings with him extensive knowledge on corporate governance and various other company related issues such as conduct of meetings, code of ethics, document retention policies, corporate disclosure policies and related party transactions.

NOTABLE TRANSACTIONS

- Acting as solicitors on behalf of a managed payment services provider in their proposed initial public offering (IPO) exercise on the ACE Market of Bursa Securities including conducting the due diligence and verification exercise and drafting of pre-IPO restructuring documentation.
- Involved in the due diligence and legal review of the legislative regime, business and operations of the national railway company.
- Acting as a Malaysian counsel for a large Chinese owned conglomerate in its proposed acquisition of a strategic interest in several subsidiaries owned by a Malaysian public listed company involved in the steel industry.
- Acting as the solicitors on behalf of an Islamic financial institution acting as Lead Arranger in relation to the issuance of up to RM370 million Islamic medium-term notes programme under the Shariah principles of Istisna and Ijarah for an offshore service provider.
